**NOVEMBER 2020 NEWSLETTER**

Hello fellow Lefty,

It has now been some time since our last newsletter. I hope all our members and families have been able to stay healthy and safe through this difficult Covid -19 period.

With the recent lifting of the travel bans etc within Victoria and the proposed lifting of the border crossing bans we appear to be headed back to a near normal life style.

Our next event is to be held at **Yering Meadows on Sunday the 13<sup>th</sup> of December** with hit off times booked from 8.00am to 8.30am. Cost for the day is \$40 for green fees and if any player requires a cart, cost is \$30, please book carts through the pro shop 03 9738 9001.

**We are asking that all members and guests confirm their intention to play by Friday the 4<sup>th</sup> of December so we can confirm numbers with the host club, Yering Meadows. This will save the Lefties having to pay green fees for time slots not used.**

Tim Moore, the PGA Professional at Yering Meadows will have a special for left hander golfers who wish to purchase golf gloves - \$10 each

**Due to the Covid pandemic and golf clubs being closed, we are now in the process of setting up our 2021 program of events. Can you the members pass on your thoughts re future events. For example, games on a weekend, games out of Melbourne area. (Gippsland, Bellarine Peninsula, Mornington Peninsula, Kyneton, Shepparton etc ????????)**

**Also, if any members wish to help with the organising and running of our events etc, please offer your assistance / suggestions, as it will make our club a better place.**

**Please forward any thoughts / comments to [trevorgee1@bigpond.com](mailto:trevorgee1@bigpond.com) or [brian.lynch@bigpond.com](mailto:brian.lynch@bigpond.com)**

Dear delegates, and all members of WALG

The year 2020 is advancing and I must inform you of the progress of the 2021 edition.

The postponement of the 2020 edition has been a difficult decision for us but inevitable in view of the health situation around the world. In France, the current situation is rather stable but as in many countries we cannot predict what will happen in the coming months. However, we continue to make progress on the organization of the 2021 edition. We have just resigned with the 4 planned golf courses: La Boulie, St Cloud, l'aigle and l'ALBATROS.

**The dates for 2021 are set for August 8-13, 2021.**

Our most important problem concern the hotels. Some Parisian hotels have not reopened yet. Some Parisian hotels have not reopened yet. We have not been able to renegotiate the agreements with the hotel so far. We are working on both, we hope to be able to give you information and rates very soon.

For reasons that you will easily understand, we have decided to reopen the registrations for this edition only at the beginning of 2021, we will know more about the sanitary conditions, and the possibilities of opening international trips.

I would like to thank all those who have given us their confidence by keeping their registrations for this postponement. We are doing our best to make a success of these World Championships in France !

I will send you another messages as soon as possible when i will have other informations.

Take care all off you, hope to see you in France !!!!

Dominique LACAN
